Hughesdale HAPPENINGS

Acting Principal's Report

Dear Community

Welcome back to school for Term 4! We hope you had a refreshing break and are ready to dive into the final stretch of the academic year. We greatly appreciate your ongoing support and involvement in the education of our students. We believe in your child/rens potential and know that they can excel in this term. Embrace the opportunities that lie ahead, stay determined, and make the most of your learning journey. In particular, I would like to acknowledge our Year six students as this is their last term of primary school, I hope they have a successful term and are currently enjoying camp. There is a lot happening this term from Level 3-6 camp, school carnival, community night, Year 6 graduation, 2024 student leadership, what an eventful and memorable term this promises to be!

Understanding Bullying' has been run this week for Foundation to Level 5 students. Please discuss with your child what they have learnt in their lesson. The parent information evening for 'Understanding Bullying' is on this Monday 16 October, 6.30pm to 8.00pm in the Tanner Building, please refer to the included flyer. The parents' session will reinforce to families the message being received by your children. This is a great way for our whole community to be on the same page. A Bully Zero Resource Pack will be followed up in the classrooms after the program, to reinforce the message and open up discussion in the classroom environment.

We have already had quite the interest from parents which is wonderful to see. If you would like to attend, please use this trybooking link to register your attendance:

School Review for HPS was ran last week. It was a full schedule of observations, interviews with students, staff and community and a deep dive into our school data. As a new member of the HPS community, it was a fantastic opportunity to have a real insight into the past and future of our school. The results of the review will guide and inform our school over its next 4-year journey. A big thank you to all 8 panel members and everyone who was involved.

Congratulations to Ms Elisha Park who gave birth to a bouncing baby girl on Monday. We wish Elisha, Tim and big brother Oscar all the best on their new journey.

School hats are to be worn during all outside activities, by all students and staff. Hats are available from Primary School Wear (PSW), 1/596 North Rd, Ormond.

Division Athletics

Last Friday, Zoe C, Core T, Ella R, Maya SC, Victoria Z, Silvie L, Frankie A, Ameilia C and Lucius B competed at the Kingston Division Athletics Carnival. All nine students gave their person best, competing against the top students from over 100 local schools.

Zoe was the star of the day, winning the 12yr girls long jump, with a best jump of 4.12. Congratulations, Zoe! Zoe will now go on to represent the school at the Southern Metropolitan Regional Athletics on Wednesday 18th October.

Zayden - Bentleigh Basketball MVP

Congratulations to Zayden B who was recently crowned the MVP of the Under 12's Bentleigh Basketball Association, for the Winter season. Zayden averaged just over 17 points per game for the season. This is the second MVP Zayden has won. Congratulations, Zayden!

New Carpet - Main Building

Over the school break, Jarrod Travaglia and the team from All Floors removed our 20yr old carpet and replaced it with brand new carpet tiles. The new carpet has been warmly received by both the staff and the students. It has certainly lifted the appearance of the classrooms in the main building. The great aspect of the carpet tiles is that if one is damaged, it can be easily replaced. On behalf of the school, I would like to thank Jarrod and the team from All Floors for the exceptional work they have completed.

Smile Squad Dental

The Smile Dental Squad have been with us for the last two weeks. They are making their way around the school, seeing all of the students who registered for the program. The Smile Squad will be with us for two more weeks.

Parking Restrictions

Just a reminder when dropping off your child/children on Brine St, that this is a 2min drop and go zone, between 8:30-9:30am. Drivers must stay with the vehicle during this time. Please note, if you leave your vehicle, you may incur a fine from the council.

Assistant Principal

In Term 4, all students from Foundation to Level Six will continue the Resilience, Rights and Respectful Relationships Program. One of the unique features of this program is that all students in the school explore the same topics at the same time, but each topic is taught in an age-appropriate manner specific to that year level and directly links to the Personal and Social Learning objectives outlined in the Victorian Curriculum. An outline for each of the units we will explore this term is below:

GENDER AND IDENTITY

Learning activities within this topic assist students to challenge stereotypes and critique the influence of gender norms on attitudes and behaviour. They learn about key issues relating to human rights and gender identity, and focus on the importance of respect within relationships. The activities promote respect for diversity and difference.

POSITIVE GENDER RELATIONSHIPS

Learning activities within this topic focus on building an understanding of the effects of gender-based violence and focus on the standards associated with respectful relationships. Students develop the skills needed to solve problems, set boundaries within relationships, and play an active role within the prevention of gender-based violence. They develop peer support and help-seeking skills that can be applied in response to situations involving gender-based violence in family, peer, community or on-line relationships.

Further information about the resources teachers will be using and specific lessons that will be taught can be found at [Introduction Resilience, Rights and Respectful Relationships - FUSE - Department of Education & Training](#).

We are very much looking forward to another successful term exploring our Resilience, Rights and Respectful Relationships at Hughesdale Primary School.

Resilience, Rights and Respectful Relationships Leader

Golf Day – Friday 20th October

School Councillors Ben Parker, Jarryd biffin & Karhik Thoppay Rajaram have created a few events to enhance 'building community and connections'. Their next adventure is our very first Golf Day. Check out their flyer for more information. If

you would like further information or have some questions, please contact P&F hps_pf@yahoo.com.au & we will forward your email to Ben, Jarryd & Karhik.

2nd Hand Uniform Stall

Our first event of the term was the 2nd Hand Uniform Stall. This was our first stall with EFT facilities & our new pricing. It was very well attended and we sold more stock than ever. The Term 3 stall made \$1,337. Thanks go to our event coordinators Kirsten Williams & Hollie Barac and Rachel Tirant for volunteering.

Thank you to all the families who have donated 2nd hand uniforms to the school. All donations are greatly appreciated. 2nd hand items are sold through the Parents and Friends Uniform Stall and are currently held once a term. The donation drop off point is the bright blue wheelie bin located next to the office in the Main building. If anyone would like to assist with the Stall, please contact P&F @ hps_pf@yahoo.com.au

Our last Stall was a huge success and we are running very low on stock across the board. Our Term 4 Stall will coincide with the Foundation (new students) information session and will remain open for the rest of school after 3.30pm. When we can confirm that date, we will let you know.

SAVE THE DATES:

Referendum BBQ	Saturday 14 th October
Beer & Tears	Thursday 12 th October at 8pm at the OC Public Bar
Golf Day	Friday 20 th October
Carnival	Friday 10 th November
Community Night	Thursday 7 th December

If you have any uniforms that you'd like to donate, please wash them and drop them in the blue wheelie bin located next to the office. Please only donate official school uniform (PSW, Spartan, LWR) and save us hours of sorting.

Lost Property

The lost property bins are located in the breezeway of the new toilet block in the Main building. Please check the bins if lost items can't be found in the playground. It can take a couple of days for things to find their way into the lost property bins, so please check back if you can't find the lost item on your first try.

The lost property bins are cleared every week depending on how quickly they fill, and labelled items are returned to children via their classroom. There is a large amount of uniform being returned via classroom teachers, please help us and the office by checking the lost property bins regularly if you are looking for something.

Unlabelled items are donated to the P&F 2nd Hand Uniform Stall. We have noticed that this year more items are being donated to the uniform stall than ever before, including uniform that looks new & in small sizes. Please label everything.
