Assistant Principal's Report

AARON RICHARDS

State Indoor Netball Team

Hi my name is Jessie Sandow and this year I got the opportunity to represent my state in indoor netball. Indoor netball is exactly the same as outdoor except it is inside and there are no outs, there is a net around the whole court.

I'm so excited for this week to come because on Friday the 24th of November I will fly out to Brisbane with my team and play two tournaments, 6s and 7s. 7s is just your normal netball but inside, and 6s and where there are 6 players on the court and 3 positions. Attack, Defence and Link. Links are able to go everywhere but the circle but they can shoot outside and score 2s. The Attackers stay in the attacking half and shoot all the goals and the Defenders just defend the opposition, hence the name defender. I usually play C, WA and Link, so my legs will definitely be painted on by the end of the week.

I am so proud of myself not just for getting into the team, but also at the start of the year my team voted me as the captain. So far I have loved my experience with my team and I am going to give nationals my all. Jessie Sandow

Congratulations, Jessie! Hughesdale Primary School is extremely proud of your achievement of not only making the team, but also for being nominated by your peers as the captain! We wish you all the best for the State Championships.

School Carnival

What an amazing night was had by all! The carnival was a huge success! It was extremely pleasing to see so many people, of all ages, enjoying the rides, stalls and festivities. A huge thank you to Jacqui, Rachel, Jodie and Bridgette for organising and running such a magnificent event. As I mentioned at the last senior assembly, the carnival could not have taken place without the enormous efforts of so many parent volunteers. To everyone who helped out on the night, thank you! I must congratulate Mr Lowrie for the work and time he has put into teaching our students about underarm and overarm throws. This was evident due to the amount of time the teachers and students were sent into the water on the dunk tank! I am very thankful it was a warm afternoon. I would also like to thank Rebecce Renz for capturing so many great moments of the carnival.

Kindergarten Visits

Over the past weeks, we've had the pleasure of welcoming three local kindergarten groups - Goodstart, Buckets, and Brine Street. It has been wonderful to continue to foster our relationships with these important partners. A stronger bond between kindergarten and school eases the transition from one learning environment to another. Our Goodstart and Buckets friends enjoyed a play on the playground, a story in the library with me (Somebody's Land by Adam Goodes and Ellie Lang) and an activity in the Foundation area with Miss Giaccotto. Our Brine Street friends came with their packed lunch boxes to practice eating like 'school kids' and enjoyed a play on the equipment with Mrs Lillingston.

Teacher Professional Learning

Our Literacy Leader, Megan Lillingston, led an engaging moderation session for our teachers last week. Moderation is the process whereby teachers mark student work against the Victorian Curriculum Achievement Standards, justify with annotation and cross check with teachers across varied levels. This promotes the use of consistent assessment practices across all classrooms and empowers teachers within the school to describe and discuss student learning accurately. To aid the consistent application of the assessment standards, we utilized resources and work samples developed by the VCAA (Victorian Curriculum Assessment Authority).

Why Icyroles?

We all know in summer, it is dry, hot and all of us students would be sitting down in the shade, having nothing to do. But instead of us JAG just making them have a dress-up day or something like that, we decided why couldn't we give people an icy, sweet treat on the best day of the week! And the money of the icyroles are going to be given to the sustainability team, who want to put aboriginal plants around our school.

Why did we choose Berri Quelch?

We chose to have two options, The Zooper Dooper no sugar, and the Berri Quelch. Majority of the JAG team chose Berri Quelch because we looked at the Ingredients and lots of fruit was listed down, and Zooper Dooper No Sugar had Artificial Colours and sweeteners, so we went with Berri Quelch.

What we are going to do!

At afternoon tea on Fridays weeks 6,7,8,9,10, we will have a Junior & Senior table. There will be 4 JAG reps (the two reps from each class) that will sell the icyroles from the table (Jags will still need to pay a dollar if they want an icyrole, no discounts!) and we will do the "get what you get and you don't get upset" rule, that means we are randomly giving people a flavour, even if they like it or not. And there will also be one class from the Seniors and Juniors to clean up the area for people who chuck their rubbish on the ground. Then we would put the wrappers in the bin and also make sure that the Hughesdale Community is cleaner with no icyrole wrappers and not a single one outside of our school.

A festive Christmas poster with a red and white striped border at the top. It features a snowman on the left and a Christmas tree on the right. The text reads: 'PLEASE SEE COMPASS FOR FURTHER INFORMATION', 'merry CHRISTMAS', 'HPS JUNIOR AND SENIOR CHOIR PERFORMANCE', 'SPREADING JOY IN OUR COMMUNITY WITH OUR BEAUTIFUL SINGING VOICES!', 'HUGHESDALE'S SCHOOL CHOIR HAS BEEN INVITED TO PERFORM AT COATESVILLE UNITING CHURCH FUN DAY!', 'THIS IS A GREAT OPPORTUNITY FOR YOUR CHILD TO TAKE PART IN A WIDER COMMUNITY PERFORMANCE', 'SATURDAY DECEMBER 2', 'MEET AT 1 PM', and 'WHAT TO WEAR - CHRISTMAS CLOTHES - RED, ANTLERS, SANTA HATS, CHRISTMAS T-SHIRTS, TINSEL!'. There are also images of wrapped gifts at the bottom.

John Monash Science School Fair

On Monday evening 20 November 2023, four of our students from Grade 5 being Angelina, Alex H, Jindi and Caitlin did an awesome job representing HPS at the John Monash Science School Science Fair. Our students chose a science project, researched and investigated the theory and this culminated in them presenting their findings at the Fair including a visual interactive demonstration about how Ooblick changes states when different amounts of pressure are applied. Their presentation was really well received. We congratulate the student group for their exemplary efforts and in showcasing HPS in such a great way.

Dear parents and Families,

Last week had been a great opportunity for OSHC children to celebrate Rubbish Robot, National recycle week. Many children participated in this challenge and created amazing things such as Jet pack, Money machine, Robots. The best creations are appreciated with prizes and big hand in the yarning circle.

Children also have had fun playing outside at the oval and in the sand pit. For this week the Team have planned activities around the theme – Family and Next week the theme is going to be Friendship and children are going to get the opportunity to do activities such as clay friendship activity, friendship card, friendship bracelets, CA friendship Tree.

Looking forward to seeing you all having fun at your OSHC 😊

Children enjoyed Veg Wrap in the afternoon Tea.

Glimpse of the planned activities

- Chocolate cake baking
- Paint stick dolls
- Draw my picture
