

Hughesdale HAPPENINGS

Every Child, Every Chance, Every Day

Acting Principal's Report

Welcome back to Term Three. I hope everyone had a great break. I can't believe I have nearly finished my second week here at HPS, how time flies when you're having fun!! What a wonderful community, I am very lucky to be part of it.

Prep enrolments for 2024 are being accepted and should be submitted by the end of term. If you know of families interested in attending Hughesdale Primary School in 2024, please encourage them to contact the school.

Please visit findmyschool.vic.gov.au to see our zone.

Students arriving at school early is quite a concern for any school. The school grounds are not supervised until **8.45am**. I understand students are very excited to shoot some hoops or kick a ball before class starts, however, I encourage parents to ensure your child/ren are not arriving before the designated supervised time, 8.45am.

NAPLAN results for students of year 3 and 5 are being released from Monday 17 July 2023, we currently have not received our hard copy results. I'm writing to inform you of some changes to this year's reporting. These are changes being introduced nationally by the Australian Curriculum Assessment and Reporting Authority (ACARA).

NAPLAN will continue to measure student achievement in numeracy, reading, writing, spelling, and grammar and punctuation but the results will now be presented in 4 proficiency levels:

These are: · exceeding · strong · developing · needs additional support.

This change will give schools, parents and carers clearer information that details student achievement against new proficiency levels.

Sick Children: Parents are asked not to send their child/ren to school if they are at all unwell. Given the low immunity within the community at the moment, we understand that your children are coming down with colds and other illnesses more often and therefore missing more school than usual. For the wellbeing of the whole school community, we request that you keep your children at home if they are unwell. Please test your child if they have any COVID like symptoms.

Beers and Tears is a school council initiative for HPS parents to catch-up, mingle and meet some new parents. It's open to all parents across all year levels (Foundation to Grade 6). It is an event that is held once a term and the next catch-up is tonight! Looking forward to all the shouts I'll receive, see you there!! The O.C Public Bar near Hughesdale Train station starts at 8pm.

Enjoy the weekend,

*Dean Napier
Acting Principal*

President's Report

Dear HPS Community,
School Council held our first meeting of Term 3 on Monday night (17/7), where we had our first opportunity to welcome Dean Napier, acting Principal and Racheal Oster, Business Manager to the HPS community. Hopefully, many in our community got a chance to 'check out the new Principal' at our Friday morning coffee catch-up. It was a wonderful turnout and I thank everyone for making the time and hope the free coffee was worth it! Our shade sails have also been installed between the running track and the oval. They look incredible and I invite our community to view our new addition.

I would also like to thank parents for paying their 2023 voluntary and essential fees. The fees that you pay not only help to provide your child with the basics but help to support a 1:1 digital provision for the kids, pay for sick bay supplies, purchase library books, help to maintain our building and grounds, pay for repairs and upgrades and purchase those big-ticket items like painting and carpets. If you have yet to pay your fees, it's not too late. In past years, state schools have received 90.2% of their budgetary needs. This is set to increase to 95% (75% State Govt, 20% Cth) at some point in 2024. All of this means your fees are essential for providing the basics, covering the funding gap and providing all the special things that make HPS such a wonderful place. Thank-you.

At last night's meeting the following was discussed:

Camps: The Lvl 3 and 4 Camps to the Philip Island Adventure resort have been approved.

A reminder that HPS has received extra State Govt funding which we have used to extend the LV 6 Camp to 4 nights/5days. Last night we approved the risk assessment for the Lvl 5/6 Camps to Marysville. Further communications will come directly via the school.

Staffing: The seasonal flu, cold season and COVID continue to have an impact on staffing and our ability to employ CRTs to cover sick days. HPS remains committed to ensuring that there is a teacher for each class. This is achieved by using multiple staffing agencies, utilising our regular CRT's and having our Principal cohort step in as required. However, there are occasions where class splitting occurs within year levels. This is a last resort and HPS is working hard behind the scenes to prevent this.

Disability Inclusion Funding (DIP): HPS is due to transition to DIP funding in 2024. School Council discussed what the funding was for and how this

funding could be used. The Vic government has promised more funding for children with a disability and new funding for children who may have low to moderates needs. For more information, go to [Disability Inclusion \(education.vic.gov.au\)](https://www.education.vic.gov.au/Disability-Inclusion) Dean Napier has experience in this area and will develop a plan for how HPS may best use this funding to benefit as many students as possible. School Council will discuss the plan in more detail when it becomes available.

Finance Committee - The Finance & Facilities Committee resolved that the revenue and expenditure for 2022 was in line with the 2022 confirmed operating budget. This Committee resolved that the reports that they reviewed represented the financial transactions for the school.

2nd Hand Uniform Stall: The 2nd hand uniform stall was developed to provide a cheaper alternative when our uniform shop (selling new uniform) moved offsite to our supplier PSW. Our onsite (old) uniform shop was a small business on its own and required proper financial oversight which was undertaken through the finance committee. However, our 2nd hand uniform stall does not need this same level of oversight and has been run by the P&F committee since it began. Therefore, school council approved the transition of the 2nd hand uniform stall from the finance committee to the Parents & Friends Committee. Money raised from the Stall will go towards to P&F fundraising goal.

Price Increase: A price increase to items sold at the Stall was approved. Prices have increased from \$2/\$5 to \$5/\$10. EFTPOS facilities will also be available at the Stall. Please see the 2nd Hand Uniform Shop Report (in this newsletter) for more details.

Parents & Friends Committee: The disco will be P&F's first cashless event. Please see the P&F Report (in this newsletter) for all the updates for all our Term 3 events.

Class Reps Coffee evening: Our Term 3 Class Reps coffee catch-up was held on Monday 17th July. Thank-you to everyone who attended.

As a council we welcome your input and feedback. If you have any queries, please don't hesitate to contact me on Kirsten.Williams@education.vic.gov.au.

Kirsten Williams
School Council President.

Assistant Principal's Report

AARON RICHARDS

Welcome back to school for Term 3! I hope everyone had a lovely break. It has been great to see our students settle back into the routines of school quickly and seamlessly. Even though we are only two weeks in. We have had several sporting teams competing in District and Division finals, VSSS Mass Choir Rehearsal at the Melbourne Town Hall and Somers Camp!

Somers Camp

Last Tuesday, 16 Level 5&6 students departed the school and headed off to Somers Camp. Somers Camp provides a program based on the social interaction of 160 children (80 boys) and (80 girls) from a large number of schools in our area. It is run by the Department of Education and by teachers from different schools. I went down to visit our students on Sunday. It was great to

see them all smiling and having a great time! The camp concluded on Wednesday. The main highlights mentioned to me were the giant swing and the food!

Australian National Skills Diving Finals

"Last week I went to Adelaide to compete at the Australia National Skills Final for diving. I had do a variety of skills on dryland and in the pool. For dryland I got a bronze medal, I came 7th in the pool and 6th overall in the country for the under 11's age group. It was a great week and I got to meet all the divers from the other states." **Caitlin I**

Congratulations Caitlin on your wonderful achievements! Caitlin will be heading off to Sydney in a few weeks time to compete in the School Sport Australia National Championships. We wish her all the best at Nationals.

Interschool Sport

Congratulations to our Mixed hockey and basketball teams for progressing through to the District Finals. Both Finals will be held this Friday. We wish both teams the best of luck.

On Monday, our Girls Football team participated at the Kingston Division Finals. The girls played extremely well

and were very competitive in all of their games. They finished the day with two wins and two loses, which placed them in the top bracket of the leader board. With several team members on Somers Camp, a group of Level 4 girls stepped up to take their place. They more than held their own against the older girls from the other schools. Thank you to Mr Lowrie for coaching the team.

Term 2 Building and Maintenance

Several projects were completed at the school over the holiday break. The new shade sails were erected in the space between the soccer pitch and the oval. These will provide the students, who play up this end of the school, with an additional shaded area. Post pads have been ordered and will arrive in the next 1-2 weeks.

The gymnasium floor was also sanded and re-coated. This will become a yearly occurrence to keep the surface in good condition.

We now turn our attention to the following projects:

- Replacing all the carpet in the main building.
- Painting the outside of the main building.
- Building the pirate ship playground.

Assistant Principal's Report

AMANDA SEACH

This term we have welcomed Dean Napier to our school as the Acting Principal. Our Department of Education Senior Education Improvement Leader facilitated the recruitment of this position and our gratitude is extended to our School Council President, Kirsten, for participating in the panel. I returned from Long Service Leave this week and it was most pleasing to see settled classes across the school.

On Tuesday, the Principal Class and Learning Specialists had a planning meeting with our Senior Education Improvement Leader and have devised a thorough plan to complete our Pre-School Review Self-Evaluation processes this term. Each four years schools complete a review which allows them to reflect, using the Department of Education's Framework for Improving Student Outcomes, on their strengths and improvement needs in the areas of Teaching and Learning, Assessment, Engagement, Leadership and Support and Resources. Our review will take place in Term 4 and we will be well prepared for it.

Our teacher professional learning has continued with a focus on Mathematics. At the end of Term 2 teachers participated in a workshop focussed on the use of

Essential Assessment as an assessment tool in classrooms from Levels 3 -6. We also had our Mathematics consultant from Melbourne University, Ryan Dunn, return on our Curriculum Day with a workshop focused on building teacher expertise, in particular the value of talk and how teachers can guide students' conversations along with the development and use of rich tasks.

This week teachers took time to refocus and refresh one of the approaches we use to develop safe and harmonious learning communities - Restorative Practices. Restorative Practices focuses on building, maintaining, and restoring positive relationships. You may be interested in viewing the **Adversity, Stress and Restorative Practice in Schools** webinar we participated in and can view it using this link <https://youtu.be/hULB2JiJ9Hk>. Hughesdale Primary has worked with Kristy, the presenter, for several years and all staff have completed training with her.

Kind regards

Amanda Seach

In Term 3, all students from Foundation to Level Six will continue the **Resilience, Rights and Respectful Relationships** Program. The teaching and support staff at Hughesdale PS have been busy undergoing professional development sessions which have built their capacity and confidence to administer the program effectively. One of the unique features of this program is that all students in the school explore the same topics at the same time, but each topic is taught in an age-appropriate manner specific to that year level and directly links to the Personal and Social Learning objectives outlined in the Victorian Curriculum. An outline for each of the following units we will explore this term is below:

PROBLEM SOLVING

Problem-solving skills are an important part of the coping repertoire. The classroom program provides a number of learning activities to develop students' problem-solving skills. The activities in the program assist students to develop their critical and creative thinking skills, and to apply them to scenarios exploring personal, social and ethical dilemmas.

HELP SEEKING

Learning activities in this topic area are designed to help students discuss the importance of seeking help and providing peer support when dealing with problems that are too big to solve alone. This helps to normalise and destigmatise help-seeking behaviour. Scenario-based activities help students identify situations in which help should be sought, identify trusted sources of help, and practice seeking help from peers and adults.

Further information about the resources teachers will be using and specific lessons that will be taught can be found at

[Introduction Resilience, Rights and Respectful Relationships - FUSE - Department of Education & Training.](#)

We are very much looking forward to another successful term exploring our Resilience, Rights and Respectful Relationships at Hughesdale Primary School.

Beers & Tears This will be the 2nd Beers & Tears catch-up event organised by Ben Parker, Jarryd Biffin and Karthik Thoppay Rajaram. The purpose of the quarterly Beers and Tears is to broaden engagement and connection across the HPS community (across year groups) and enable self-organised unofficial activities to spin off and facilitate HPS fundraising. The event is designed to welcome and connect the whole HPS adult community – mums and dads. It's a great way to meet new parents or catch-up with friends in a social setting. Some nibbles will be provided.

Disco, August 4th The disco is going cashless!!! This will be P&F's first cashless event. By the time this newsletter is published, there will be a Compass voluntary event that you simply accept or decline and pay via Compass. The process is the same as that used for excursions. The event will remain open for the duration of the disco. It is important to note that P&F will NOT be accepting cash payments on the night. Acceptance & payment can only be done via Compass. See flyer for more details.

Disco Volunteers: If you are able to volunteer for the disco, pls contact P&F on hps_pf@yahoo.com.au. Disco volunteers are required to supply their name, children's name & class, whether you are volunteering for the Junior disco, Senior Disco or both & whether you have First Aid Qualifications (for the First Aid Station), WWCC and WWCC expiry date.

P&F AGM The P&F AGM will elect new office bearers (President, Secretary & Treasurer). We also select the events that we will be hosting in 2024 and setting up organising committees for each event. At this stage, we are expecting to run a reduced event calendar in 2024. The P&F coordinators will continue to double as event coordinator for one event each term. The number of other events we can add to the calendar will depend entirely on whether we can get some volunteers to organise the event (with P&F support).

Family Footy Fun, September 7th Our inaugural Family footy fun day is taking shape. We have organised for some inflatables from St. Kilda FC to be set up on the oval. Just like Auskick, this event is designed for everyone to participate and have some fun. We will also be hosting a BBQ. There will be more details in the next newsletter.

Golf Day This is the first time HPS will be hosting our Golf Day. This event is being organised by a group of school councillors; Ben Parker, Jarryd Biffin and Karthik Thoppay Rajaram. The date has been set for Friday, 20th October. It is a full day event held at Portsea Golf Club with buses departing from HPS. See the flyer following.

If you have any questions, would like more information, would like to join P&F or host an event in 2024 – Please contact us at hps_pf@yahoo.com.au.

Important Information

To ensure your children are kept as safe as possible, we have developed a few guidelines for the disco.

We thank you in advance for your co-operation.

Please note this event is for current HPS students only, siblings or other children are not permitted at the disco.

- ALL students **MUST** be signed in and out by an adult at the door.
- Flat shoes only to be worn – NO HIGH HEELS.
- Students will **NOT** be allowed to leave the venue unless they are accompanied by an adult.
- Parents are **NOT** allowed to enter the gym (disco) unless they are official supervisors. WWCC required for all volunteers.
- No external food or drink permitted due to allergies and please no valuables.

Children are not permitted to take photos or videos during the disco for posting on social media. We request that mobile devices are not used by children during this event to ensure privacy laws are adhered to.

Wristbands will be distributed at the disco and must be worn for the duration of the event.

If your child/ren wish to attend the disco, please complete event registration via Compass (>>Events) **P&F will not be accepting Cash Payment at the Door.**

VOLUNTEERS NEEDED!

It takes a small army to host a disco and We Need your Help!!!

If you can help on the night, please email hps_pf@yahoo.com.au with your details, specifically your full name, contact phone number and email address, WWCC number and expiry date and confirm which disco you can assist with (Junior, Senior or both). Please let us know if you have a current First Aid Certificate.

Please be aware if we do not have sufficient parent supervisors, student numbers will be limited.

ALL supervisors **MUST** have a current Working With Children's Check (WWCC).

Supervisors must stay for the full duration of their allocated disco. Supervisors **MUST NOT** have other children or siblings with them while supervising.

For any queries, please contact P&F at hps_pf@yahoo.com.au

Community Coffee Morning

It was fantastic to see so many of our community take time out to enjoy a coffee and a chat.

Our next 2nd Hand Uniform Stall is on Thursday 27th July between 3 & 4pm in the gym foyer

Thank you to all the families who have donated 2nd hand uniforms to the school. All donations are greatly appreciated. 2nd hand items are sold through the Parents and Friends Uniform Stall and are currently held once a term. If anyone would like to assist with the Stall, please contact P&F @ hps_pf@yahoo.com.au

If you have any uniforms that you'd like to donate, please wash them and drop them in the blue wheelie bin located next to the office. Please only donate official school uniform (PSW, Spartan, LWR) and save us hours of sorting.

There will be a few changes for our next Stall and beyond. EFTPOS facilities will be available at the Stall.

There will also be a small increase to pricing; our first increase since we began selling 2nd hand items a decade ago.

\$10 - Bomber Jackets, Jumpers, Raincoats, School Bags, Tunics, Vests

\$5 – Long/Short sleeve T-Shirts, school dresses, shorts, culottes/skort, pants, accessories.

If anyone in our community is experiencing financial hardship, please reach out to our Business Manager, Racheal Oster for a confidential meeting. Confidential uniform provisions can be organised.

LOST PROPERTY

The lost property bins are located opposite of the new toilet block in the Main building. Please check the bins if lost items can't be found in the playground. It can take a couple of days for things to find their way into the lost property bins, so please check back if you can't find the lost item on your first try.

The lost property bins are cleared every few weeks, depending on how quickly they fill, and labelled items are returned to children via their classroom.

Unlabelled items are donated to the P&F 2nd Hand Uniform Stall. We have noticed that this year more items are being donated to the uniform than ever before.

LABELLING

Please label all uniform items, lunch boxes and drink bottles. Labels need to clearly show your child's **first name + surname** or **first initial + surname** if you can't fit the full detail on the tag.

Please, please, please label everything!!! We can only return lost items if it is clearly labelled. If an old name is present on the label, cross this out and add your child's name to the label. Otherwise, we will deliver the item to the previous owner. We thank you in advance for your co-operation.

Do any of these belong to your child?

Please see Leah at the Office to collect.

Bastille Day

Bonjour. This week our school community celebrated Bastille Day. It was a “journée fantastique” that brought us all together to celebrate the French language, history and culture. The students looked fabulous in their French themed outfits and colours. Some went to great lengths with their costumes...

We spent the morning participating in fun French craft activities. Working in teams to build Eiffel Towers, making French hats and flags.

The students also enjoyed a tasty croissant treat at lunchtime. It was overall a wonderful day and the joy and pleasure the students took in participating was evident. It was an absolute delight to see the children enjoying themselves so much!
A huge thank you to staff, students and parents for making this such a memorable day!

ROCKETEERS

Dear parents and Families,

What a busy action-packed winter rocketeers!

Children have had a blast watching Elemental Movie, bouncing at bounce inc., and bowling at Archie's brothers. Not only this, they also learnt mixed martial art skills with an expert in the incursion. The base camps have always been as relaxing as their homes, they enjoyed hot chocolate and enjoyed dancing with bubbles at the base camps.

What's been happening at your OSHC in these two weeks

The two weeks of term 3 have been oozing out with creativity. Children enjoyed doing construction and made Marble tile ramp, some children showed their creativity with art and craft and did floating chalk painting, making zoo with Australians animals and kinetic sand. The beautiful creations are shared with families through photo journal.

The Team have planned amazing activities for upcoming two weeks, the focus will be environment, sustainability and Nature.

Looking forward to seeing you all having fun at your OSHC 😊

Glimpse of the planned activities

- Pitta Bread pizza
- Hot Chocolate
- Toilet paper Dandelion painting
- Cooking activities- Cookies
- Butterfly suncatcher craft
