

Hughesdale HAPPENINGS

Every Child, Every Chance, Every Day

Principal's Report

Week 9 Term 3 2022 Issue 14

We have enjoyed three wonderful, complete terms of learning, growing and connecting with our treasured community members. With some manageable hiccups (such as needing to cancel a portion of the Junior Swimming Program due to a shortage of swimming staff) we still enjoy the time spent together with increasing normality.

The many additional opportunities that Hughesdale Primary School has fostered over the years have also returned with increasing regularity. Over the weekend I had the very proud opportunity to watch two groups of HPS students participating in the Victorian State Schools' Spectacular. I wish to express my appreciation to Ms Annie Wylie and Ms Gretel Holmes for supporting the Mass Choir group, as well as Miss Amy Mulcahy, Mrs Sharon Amiet and Ms Elisha Park for supporting the Mass Dance group. Being a part of the cast for this large scale production is a unique experience and would not be possible without the support of this team of staff. The smiles on the faces of the children was magical and deeply enjoyed by us all.

To expand upon the Performing Arts opportunities available to all students, we have our **Kindness Concert** rapidly approaching, scheduled for Thursday 13th October at the Besen Centre. This concert is for all students in Years 3 to 6 and tickets

can be purchased through Try Booking with the following link (please note that students performing do not need a ticket).

<https://www.trybooking.com/CBYPZ>

Later in Term Four (with the date still to be set) we will be holding our **Community Night** where all children are given an opportunity to be part of a class item, performed for us all here at school. Please stay tuned for further details.

We received our NAPLAN results this term and I am so incredibly proud of the achievement demonstrated by our students. All results continue to be strong with our Year 3 Reading results demonstrating standout achievement. While NAPLAN results are only one source of student achievement data, they do provide the school with information about trends and patterns in the learning of our students, which in turn is triangulated with additional sources such as PAT testing and teacher assessment data. Trends and patterns inform our Annual Implementation Plan and teacher Professional Learning so that we can continue to provide exemplary learning opportunities for your children. Thank you to the parents who have completed the Parent Opinion Survey, which is another important source of information for our school that informs strategic direction and learning. If you are yet to do this and would like to do so, it remains open until Friday 16th September.

The survey is conducted online, only takes 20 minutes to complete, and can be accessed on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Simplified Chinese, Chin (Hakha), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

The link to the survey is <https://www.orima.com.au/parent>

The school and campus names you should select for our school are:

- **School Name:** Hughesdale Primary School
- **Campus Name:** Hughesdale Primary School
- Our unique PIN number (for Hughesdale Primary School) is; **317014**

Our Year 4 students attended Camp this Term, and our Year 3, 5 and 6 students will be heading off on overnight adventures in Term Four. The Year 2 sleepover was able to run for the first time since 2019, as were our swimming programs with all year levels being given an opportunity to participate. To facilitate these programs, please note the following arrangements for the end of Term 3, and beginning of Term Four.

Term Three

Last Day -

Friday 16th September - **2:30pm finish time.**

Camp Australia program will commence from 2:30pm on this day - bookings are available and recommended if you would like to use this service.

Later finish time for FC & FD who will not return from the pool until around 2:45pm

Term Four

First Day -

Term Four Commences on **Tuesday 4th October**

Camp Australia is available over the school holidays as well as on Monday 3rd October which is a Curriculum Day for Hughesdale Primary School students (student free day).

Our Year Six students heading off to camp at Marysville during

the first week of Term Four will be leaving on Monday 3rd October. Students need to be at school by 8am for an 8:30am departure.

Farewell

I am experiencing mixed feelings as I share some staffing news with you all. This is the last week at Hughesdale Primary School for Mrs Amanda Breeden-Walton. We are so excited for her and the Wantirna Primary School community where she will be commencing as their Principal from the beginning of Term Four.

Amanda has worked in numerous positions at Hughesdale PS since 1996. She has been our Assistant Principal for the last 6 years and has led Student Engagement and Wellbeing teams with great passion over this time. Her contribution to our school has been tireless and will always be appreciated.

I know you will all join me in sending warmest wishes with Amanda as she embarks upon this next chapter, she will be missed by our entire community.

Warmest Regards,

Lisa Gough

Learning Shared with me

Caitlin and Tristan shared their letters to Aribri camp asking questions about the camp site and what they have to offer.

ThinkUKnow Presentation

Thank you to all families who attended the

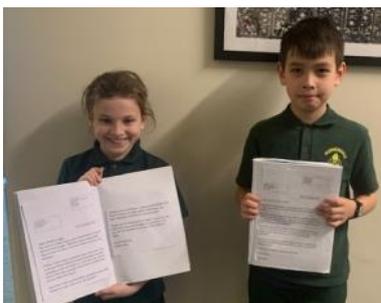

ThinkUKnow presentation last Thursday evening.

Graeme was extremely knowledgeable on topics including self-generated child abuse material, online grooming, image-based abuse, sexual extortion, and importantly encourages help seeking behaviour.

For those families that were unable to attend, I shall send home an information booklet to the community this week.

Can you offer assistance?

If there is anyone in our community who may be able to assist a family to get their child to school and back (pick up near Poath Rd, past Willesden Rd (Hughesdale train station), please contact Lisa Gough, so she can then put you in contact with the family.

Thank you and farewell

As Lisa has just announced, I will be leaving the amazing school community this Friday. As a flurry of emotions and memories flood through me these next few days, I would like to thank the community for their amazing support over my time and Hughesdale.

I often say Hughesdale Primary School is in my blood, it gives me life and keeps me striving forward. From starting as a CRT, filling short term contracts before moving on to various other schools, then returning to Hughesdale in an ongoing capacity then pausing for some Parenting leave, - Hughesdale kept me coming back. It really is a special place.

I will miss the beautiful student and community in which I have got to know over the 2 decades of my time here. I look forward to staying in contact and attending events and celebrations in the future.

Finally, thank you and farewell,

Amanda Breeden-Walton

Curriculum and Pedagogy

Fabulous French

There is much excitement and enthusiasm across the school with the new French Program this year. Madame Watson is engaging all of our learners in stimulating classes that are developing students' understanding of the French language and culture. Even our youngest learners are able to formulate and write sentences in French! Here is Emmet and Matthew from FC with their French sentences declaring their names and that they like ice cream!

Mathematicians

This Term three of our Level 5 students have enjoyed stretching their capabilities as participants of the Victorian High Ability Program in the area of Mathematics. Please enjoy this piece about their experience.

We are all in grade 5 and would like to share with you our perspectives about the Maths High Ability Program we have been participating in this Term.

I was very interested to see what I was going to be learning in this new program. I have had fun working with all of the different mathematicians. Our teacher calls us

mathematicians. It's been interesting to listen to others thinking about solving problems and incorporating that with my own thinking. When we log on early the teacher gives us a puzzle and I enjoy this challenge to start the morning. - Vasileios 5B

At the start of term when I found out I was going to do VHAP I really wondered what it was going to be about. I was really excited. On Tuesday mornings I go and work with Emily and Vasilis and we log onto our virtual lesson with other students from different schools. We get to share our ideas and strategies and I have learnt a lot of maths. It has been a wonderful experience. - Talia 5C

I really enjoy VHAP and the fun online sessions on each Tuesday morning. It's great that we connect with students from other schools and the teacher is very helpful. He re-explains concepts and makes things clear. He also notices when we know things and moves on or slows down when we are not sure. - Emily 5B

Bring Your Own Device - BYOD

The Hughesdale Primary BYOD program began this term and we have seen a steady uptake from students mainly in years 5 and 6. The introduction of this option for learners aims to create a sustainable model for a 1:1 device program. Digital literacy skills are essential for our children to be successful in the 21st century and we believe we will be better equipped to develop these with an increased access to devices. The introduction of the program will enter its next phase in Term 4 with the introduction of Year 3 students.

2022

Year 5 & 6 From Term 3 students may bring a device purchased through the [portal](#) or a family-owned device to school.

Year 4 From Term 3 devices purchased through the [portal](#) may be brought to school.

Year 3 From Term 4 devices purchased through the [portal](#) may be brought to school.

Foundation, Year 1 and Year 2 Personal devices should remain at home. The BYOD program does not apply.

If you would like to read more about the Hughesdale BYOD Program please access the BYOD Handbook via Compass, found under BYOD in School Documentation. Please email the school hughesdale.ps@education.vic.gov.au with any questions.

Kind regards

FC	Saihaj Singh	Personal Best	<ul style="list-style-type: none"> For showing so much curiosity when exploring the digraph 'sh'. You were very clever when listening for 'sh' at the beginning and end of words, during our shared rhyme and poetry time. FC were also very impressed with the word inquiry you did at home, building long lists of 'sh' words you know! Keep up the wonderful work Saihaj!
FD	Serena Sachchithananthan	Personal Best Resilience	<ul style="list-style-type: none"> For working hard and listening carefully during reading lessons. You have made sure that you are putting in your greatest effort, staying focussed and achieving your personal best.
1A	Josh Parker	Personal Best Respect	<ul style="list-style-type: none"> For demonstrating your ability to be responsible and caring for your peers. You have tried hard to use your words instead of actions to support your peers, and it is wonderful to see the pride you show when you do this. Keep it up Josh :)
