Every Child, Every Chance, Every Day

Principal's Report

Week 7 Term 1 2022 Issue 4

Another busy week is drawing to a close.

One of the highlights this week was the Foundation BBQ, welcoming the families of our Prep children to their first year at school. After an initial drenching when cooking the sausages, the rain dissipated just as the gathering commenced, and we were able to enjoy a sausage and a coffee or hot chocolate together. Our community is magnificent and it is such a joy watching parents connect with one another, making new friends and catching up with existing ones.

This week we also took our Year 3, 4, 5 and 6 students to Duncan McKinnon reserve for the House Athletics Carnival, Congratulations to Jacaranda who was our winning house.

Introducing Our French/ Languages Captains

I take great pleasure introducing Abi Wright and Iha Guruprasad to you as our newly appointed Languages Captains for 2022. Congratulations to you both and thank you in advance for your contributions to the student leadership team.

Year 6 Rugby Tops & Photos

An exciting moment each year is the arrival of our Year 6 Rugby Tops and this year was no different. A lovely tradition at Hughesdale Primary School is a group photo on the day they arrive, at the front of the school. Hard to believe that they are in Year 6, they make us all so proud.

Warmest Regards,

Reminder - The most colourful event of the year is coming!
 Next **Thursday 31st March**, from 1.50pm to 3.30pm is our Colour Fun Run.

Please make sure students bring a WHITE shirt and old pants or shorts to wear.

During the fun run, the students will run around the school grounds while being squirted with water and coloured powder!. This powder is non-toxic and biodegradable.

Money raised from this event goes towards our Boat Playground. Cash donations and sponsorship forms are due back to school by **Friday 8th April**. These can be returned to the office or via your child's VIP folder or clipboard. You can also use the EFTPOS/Credit card facilities at the office- either in person or via phone.

Think You Know Presentation

Last week our level 5 and 6 students took part in a Online Learning Think you Know presentation on Cyber safety delivered by the Proactive Policing Unit of the Victoria Police.

This presentation was aimed at educating and increasing students awareness about online child sexual exploration including avoiding inappropriate contact, online grooming, self-generated content and how to get help.

Later in the year we are hoping to run a presentation for our parent body.

Please take the time to read the **"Gaming, devices and what you need to know"** included on the Compass post.

Curriculum and Pedagogy

Writers Notebooks

Writer's Notebooks are an important component of the Writing Workshop approach to the teaching and learning of writing at Hughesdale Primary. These provide a place for our writers to save their thoughts and experiences in the form of a memory, a reflection, a list, a stream of consciousness, a sketch or a memento pasted in. They are not 'corrected' by teachers but rather used as a catalyst for conversation so that students can find things they are passionate to write about further. It is important that our learners find ideas they want to write about if they are going to become lifelong writers. Writer's Notebooks are a safe place for students to practise writing and explore the use of words and there are many strategies used in the classroom to scaffold ways writers can use their notebooks. Each year students and teachers personalise the covers of their Notebooks and last week the Foundation students created theirs. Have a look at these young writers' beaming faces!!

Try A Writer's Notebook strategy at home...

COLOUR WRITING

Name/List colours

What do you think of?

How does that colour make you feel?

What do you hear when you think of that colour?

Where can you go to see that colour?

What does that colour taste like?

What does it sound like in another language?

Rights Resilience & Respectful Relationships (RRRR)

At Hughesdale Primary we develop students' understanding of the myself and others by delivering the RRRR curriculum from Foundation to Level 6. Three students from 1D (Alexia, Azalea, Tommy) came to proudly share their learning with me last week. They and their class were learning to recognise and identify their own emotions, describe situations that may evoke these emotions and to compare their emotional responses with those of peers.

Research shows that,

- Students who participate in rigorously designed and well taught social and emotional learning programs demonstrate more positive social behaviour, and show improved academic outcomes;
- Collaborative learning activities help students to build their social skills;
- Building a large vocabulary for emotions helps to increase emotional literacy, build self-awareness and empathy for others.

You may open up a conversation with your child by asking them about what they have been learning about in their Wellbeing classes, often referred to by teachers and students as PSL lessons (Personal and Social Learning).

Budding Filmmakers

The Australian Teachers of Media Association annual 1-Minute Film Competition is now open. If you have a budding filmmaker at home they may like to create an entry based on this year's theme, *Dreams*. *Hopes we have for the future; an often fleeting array of experiences which mainly occur during sleep. Whether it's our wishes for an ideal future, personal dreamscapes to which we let our minds wander, or goals we strive towards – dreams provide points of connection to others and insight into our own psyches. There are two entry categories for Primary students, Lower Primary (Levels F - 3) and Upper Primary (Levels 4 - 6). If you and your child are interested you can follow the link in the flyer for more information.*

Division Swimming

Last week Mr Richards and myself had the pleasure of accompanying 27 of our Level 3 - 6 students to GESAC to participate in the District Swimming Carnival. Thank you to Jacqui Corben for also volunteering to assist on the day. It was wonderful that many parents were able to come along and watch. All of our students upheld the school values admirably demonstrating Personal Best and Resilience in particular. Opportunities to compete against students from other schools gives all students an opportunity to develop qualities that come to the fore with sporting pursuits like teamwork, gratitude, respect and humility. Enjoy the photographs from the day below.

Kind regards

Hi everyone,

Another amazing week here at Camp Australia Hughesdale!

In the last two weeks our art table was oozing out of creativity as children displayed their creativity through participating in raised salt painting, animal silhouettes spray painting and making cat craft with moving eyes.
