

Hughesdale HAPPENINGS

Every Child, Every Chance, Every Day

Acting Principal's Report

It has been wonderful meeting so many lovely members of the Hughesdale Primary School community this past week. Thank you to those who have said hello. I have been especially impressed by the students who have demonstrated friendliness and kindness towards me, taking time to get to know me and share a little of themselves.

It should never be underestimated how important the power of connection is. While it is not always possible to connect with everyone, it is detrimental to our own wellbeing if we don't connect with anyone. Take some time to ask your child "who did you connect with at school today?" Or, "Who made an effort to connect with you today?" We need our children to notice when others are trying to connect with them, and encourage them to make connections with others. It can be as simple as saying hello to a student who is sitting on their own, or giving a smile and a nod to a relief teacher or staff member they haven't met before. These things create a warm and inviting atmosphere at our school and go a long way to building a culture of kindness and support.

While it won't be possible for me to connect with everyone in the short time I am here, I will continue to say hello to as many people as I can and invite you to do the same. I am really enjoying the students sharing their schoolwork with me also and I am impressed with the high quality of work and effort I am seeing as I move around the school. Keep up the amazing work everyone.

CARNIVAL UPDATE

At assembly on Friday the winner of the carnival poster competition was announced. Congratulations to Max S from 5C for his poster which will become the advertising flyer for the carnival. Max told us that he created his poster over a few hours in one day! It is full of some amazing detail, right down to the twisty potatoes (my favourite carnival treat)!

The carnival organising committee were so impressed with all the entrants - over 80 of them - and had a tough job selecting a winner.

Pre-Service teachers

This term a number of our teachers have been mentors for Pre-Service Teachers from Monash, Swinburne and Deakin universities. These 'teachers in training' are completing Bachelor of Education degrees. This Professional Experience is an integral part of university education programs as it is through experiencing the roles and responsibilities of a teacher and pedagogical leader that these future teachers have the opportunity to develop the necessary knowledge and skills to become competent members of the teaching profession. I would like to thank our teachers - Amy Mulcahy, Dave Meier, Kirby Ryan, Megan Lillingston, David Cooper, Sarah Pincus, Natalie Giaccotto, Morgan Ray, Rebecca Kharsas and Tom Margary for being mentors.

Wow!

I hope you enjoy this photograph of James and Mrs Lillingston. James has been working very hard on using number lines to understand subtraction problems.

Please join me in congratulating Megan Lillingston who is our new Learning Specialist for the remainder of the year as we wish Mandy Prokupets all the very best as she goes on maternity leave.

Kind regards

Intensive Swimming Program

Our intensive swimming program for our Level 3-6 students begins on Tuesday 13th June. All students will receive 8x40min lessons at GESAC. Learning to swim and to swim confidently is vital for all children, especially in a country like ours. Water fatalities are far too high in Australia, with inexperience in water the main cause of drowning.

The five main reasons for schools to run a swimming program are:

- Lessons provide your kids with confidence, which is great for self-esteem
- Your child will learn about water safety in and around water
- Swimming is a great way to exercise
- Earlier development of physical skills including hand-eye coordination and muscle tone
- It forms part of the Health and Physical Education curriculum.

In the past we have sent out a form for parents to nominate their child's swimming level. GESAC now keep each child's previous level on file and will use this to form the initial groupings.

They will conduct thorough swimming assessments on the first day of the program to ensure that all students are in the appropriate level, which will lead to changes in groups on the second day of the program.

Our Foundation, Level 1 and Level 2 students intensive swimming program will take place in weeks 8 and 9 of Term 3 (28th August -7th September).

State Touch Rugby Team

On May 14th I had the opportunity to represent Hughesdale Primary School and try out for SSV Touch Football team. My Dad and I went to Seabrook Reserve, the new State Ruby Centre in Broadmeadows, this is where the first trial was being held.

I was nervous, and excited. Coach KaoKoa took the session and we started off with fitness and skill work then proceeded into playing a game. It was a fantastic opportunity to meet different kids from other schools. I was successful and proceeded to the next trial on May 28th. After the second trial it was a waiting game to see if I had been selected, I kept asking my mum if she had received an email! Last Friday I found out that I was selected and will be representing Hughesdale Primary School and my state at the School Sports National Combined Touch Football Championships to be held in Darwin NT in August this year. **Lewis Corbin - 6A**

Congratulations Lewis! This is a fantastic achievement! Hughesdale Primary is proud of your achievement and wish you all the best at the upcoming National Carnival.

Kingston Division Cross Country

On Tuesday 30th May, nine Hughesdale students competed at the Kingston Division Cross Country. The event was held at Karkarook Park. Ella, Emerson, Jindi, Paige, Jack, Alex, Finn, Harry and Lewis all gave their personal best, running extremely well against very tough competition. It was incredible to watch all of these run and compete in the manner that they did. They all should be extremely proud of their efforts. The competition included two National runners and several state runners.

Finn ran an amazing race to finish 7th in the 12yr boys race. By finishing 7th, Finn has qualified to represent the school at the Southern Metropolitan Cross Country next week. Finn is the first Hughesdale student in six years to reach the regional level in Cross Country. Congratulations Finn! We wish you all the best!

Hughesdale Primary School loves Story Box Library and with our subscription your child can watch favourite stories, read aloud by fabulous storytellers, at home as well as in the classroom.

Reading aloud to children, in particular by diverse and engaging storytellers, greatly improves language and literacy skills, especially in the early years of a child's development. Connecting children with literature through the complementary medium of film, providing a vibrant, interactive experience via a diverse range of storytellers sharing the best of our local children's picture books.

Wonder Words

Speech pathology

Wonder Words Speech Pathology is reaching out regarding expressions of interest for our winter school holiday groups!

These groups will focus on supporting special interests. "Special interests" are topics that an individual has a focused or passionate interest in. These topics often foster a positive environment where an individual is able to develop friendships in an authentic and meaningful way with others because they are comfortable and provide familiar topics for them to talk about. Children will also be supported in sessions to further develop their receptive and expressive language skills.

You **do not** need to be a current client to attend these groups.

Groups will run for 2 hours for a single day (dates and times TBC).

If you're interested, scan the below QR code for our Expression of Interest form or call us on (03) 9585 1697 for more information.

Dear parents and Families,

Last two weeks children celebrated National reconciliation week. They have had fun doing dot painting, rain shaker and painting aboriginal flags. Children also enjoyed seeing the whole process of doing rainbow pop corns from scratch. Children have had a blast on building car with the car building kit

The Team have planned amazing activities for upcoming two weeks, the focus will be on water painting and science activities.

For sports enthusiasts, we have planned outdoor play such as soccer, footy and Basketball at the basketball court. Children can also enjoy playing in the sandpit.

Looking forward to seeing you all having fun at your OSHC 😊

Glimpse of the planned activities

- Pepper and soap experiment
- Rainbow rain experiment
- Magic Milk
- Magic drawing with refraction of light
- Paper making from scrap paper
