Hughesdale HAPPENINGS

Acting Principal's Report

Dear community,

Parent/Caregiver/Guardian Opinion Survey: Our school is conducting a survey to find out what parents / caregivers / guardians think of our school. The Parent / Caregiver / Guardian Opinion Survey is an annual survey offered by the Department of Education that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, and student engagement. The survey is optional, however, we encourage all families to participate. Our school will use the survey results to help inform and direct future school planning and improvement strategies. All families are invited to participate in the survey. The Parent / Caregiver / Guardian Opinion Survey will be open until Friday 8 September 2023. The survey will be conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time within the survey period on desktop computers, laptops, tablets or smartphones. The online survey will be available in English and 10 other languages including Arabic, Greek, Hakha Chin, Hindi, Japanese, Punjabi, Simplified Chinese, Somali, Turkish, and Vietnamese.

Completing the 2023 Survey: Last Friday all families received a COMPASS Notification which will provide you a link to the survey and the PIN required to access our school's survey. All the instructions on completing the survey will be included.

2022 Survey Results: Generally, the results are communicated in the Annual Report, they are also discussed at School Council and by staff.

Attending in 2024: I know we are still in Term Three, but we are starting now to plan for the 2024 school year. We are close to finalising our Prep enrolment for 2024 and another important piece of information we need when planning for a new school year is how many students we will have across the rest of the school. This information is essential when we are planning the number of classes at each level and how much money will be available for staffing, specialist programs, etc.

If you know that your child will not be at Hughesdale Primary School in 2024, please let Dean Napier know in writing as soon as possible (email: dean.napier@education.vic.gov.au), or your child's teacher. Please do not leave it until Term 4. We realise that some families find this conversation difficult for a range of reasons, however it will be a huge assistance to us to know as soon as possible.

Working Bee: HPS is looking to run a working bee on **Thursday 14th September 2.30pm – 3.30pm**. This will be a short sharp clean up of the school. All parents and community are welcomed. Please bring any equipment, e.g., secateurs, gloves from home.

Excursions: we have had a myriad of excursions recently including a Late Stay for level 1, MCG tour and Game On activities for level 2, The Botanic Gardens Level 3, Scienceworks / Planetarium for level 5. This really does enhance and contextualise learning, thank you to all the staff and parents who have helped our young people with these special days.

Curriculum Day will be held on Friday 8th September. Students do not attend on this day. If you need to make arrangements, please contact Camp Australia 1300 105 343 or visit our website <https://www.hughesdaleps.vic.edu.au/afterschool-care> to book.

Congratulations to Lewis C who has made the School Sport Victoria (SSV) 12 years and under boys team for touch football in 2023. The team will be competing at the School Sport Australia championship in Darwin from 13th August to 18th August. We would like to wish Lewis and the team all the best at the tournament.

Enjoy the weekend, fingers crossed the Matildas beat Sweden!!

Policy updates

The Education Sub Committee, a component of our school council, diligently reviews all of our policies on a cyclical rotation to ensure that procedures and processes support the quality functioning of the school as a whole. The most recent policies reviewed were the Anaphylaxis, Asthma and Schedule and Communications Guidance. These policies can all be found on our website, in the [Our School](#) information.

Teacher Professional Learning sessions

The whole school review has continued to be a focus over the past fortnight. In teams, staff are undertaking the Pre Review Self Assessment in the areas of Leadership, Teaching and Learning, Assessment, Engagement and Support and Resources. It has been a valuable opportunity to reflect on practices and their impact over the past 4 years including strength and growth areas. This process is being undertaken within the framework of guidance provided by the Department of Education.

Kind regards

National Touch Rugby

This week, Lewis C from 6A has been in the Northern Territory representing School Sport Victoria at the National Touch Rugby Championships. Lewis is a member of a squad of 14 boys who are taking on the best tough rugby players from all over Australia. Team Vic got off to a slow start with loses against Western Australia, ACT and Queensland. The boys hit their stride against the Northern Territory, collecting their first win of the tournament. Good results against South Australia and NSW will see the boys competing in the finals. Congratulations, Lewis. From all reports you are representing Hughesdale Primary School and Victoria with great pride.

Smile Squad Dental

The Smile Squad team from Link Health and Community are coming to our school at the beginning of Term 4.

Smile Squad is the Victorian Government free school dental program.

This means all students can get a free dental check-up, preventive services, and treatment at school.

We need your consent before we can provide services. Consent is usually provided by a parent or guardian.

Sign up to Smile Squad at: <https://bit.ly/smilesquadvic> OR use the QR code:

Please complete and submit the consent form by 31/8/2023.

Building and Grounds

Our partnership with Camp Australia, to renovate the OSHC/ Performing Arts building continued last week with the replacement of the OSHC entrance doors. These doors mirror those at the front of the main building.

I have a meeting with Marissa and Phillipa from Camp Australia next week, where we will look at renovating the kitchen and the toilets in the building.

Disco: The disco was a fabulous success!! Thank-you to our amazing event coordinators; Sian Naulls, Sophie Conquest and Claire Wharfe. A huge thanks to our amazing parents who volunteered for the disco. We had over 80 parent volunteers. These volunteers ensure the success of the disco and ensures that P&F does not have to limit the number of attendees. We also hope that the online payment through Compass was much easier and faster for the parents. Thank-you.

Golf Day: This is the first time HPS will be hosting our Golf Day. This event is being organised by a group of school councillors; Ben Parker, Jarryd Biffin and Karthik Thoppay Rajaram. The date has been set for Friday, 20th October. It is a full day event held at Portsea Golf Club with buses departing from HPS. We will have more details to share closer to the date.

SAVE THE DATES:

P&F Meeting in the staff room	Friday 25th August @9.05am
Family Footy Fun	Thursday 7 th September
P&F AGM	Friday 15 th September @ 9.15am
Golf Day	Friday 20 th October

P&F AGM: The P&F AGM will elect new office bearers (President, Secretary & Treasurer). We also select the events that we will be hosting in 2024 and setting up organising committees for each event. At this stage, we are expecting to run a reduced event calendar in 2024. The P&F coordinators will continue to double as event coordinator for one event each term. The number of other events we can add to the calendar will depend entirely on whether we can get some volunteers to organise the event (with P&F support).

Family Footy Fun, September 7th: Our inaugural Family footy fun day is taking shape. We have organised for some inflatables from St.Kilda FC to be set up on the oval. Just like Auskick, this event is designed for everyone to participate and have some fun. We will also be hosting a BBQ. There will be more details soon.

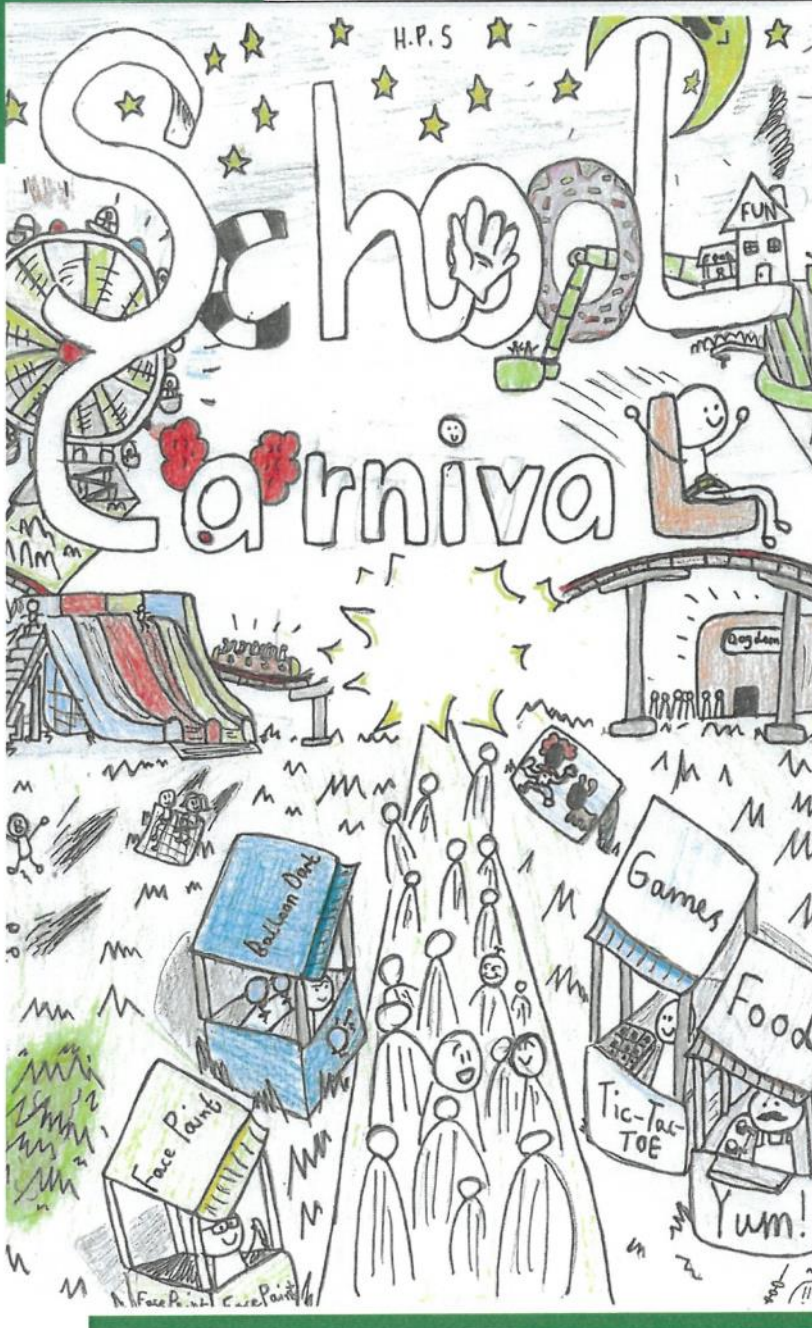

If you have any questions, would like more information, would like to join P&F or host an event in 2024 – Please contact us at hps_pf@yahoo.com.au.

Free Little Angler Kits for Grade 5 Students

The Victorian Government is investing \$1.5 million from the Recreational Fishing Licence Trust Fund to provide up to 95,000 Little Angler Kits to primary school aged children in Victoria.

The free kits provide a wonderful school holiday activity for children with their families and help ease the cost of living, providing a fun activity close to home.

Grade 5 students at all Victorian schools, including ours, will be offered the opportunity to receive a FREE Little Angler Kit. Grade 5 students have been selected based on the Victorian Curriculum focus, movement and motor development, and safety considerations.

The program is entirely voluntary. Schools were provided with the option to opt out of the program. Our school has opted to stay in the program so that parents can decide whether they want their child(ren) to receive a free fishing kit.

Parents of Grade 5 students can advise the school if they do not wish their child(ren) to participate for any reason whatsoever. We support parents in making decisions that align with their family values and beliefs.

The roll out of kits will occur through the second half of 2023 (16 October - 4 December) so that all participating children will have a kit in time for the summer school holidays.

The kits include a rod, reel with line, tackle tray, some tackle and information on how to use them to catch a fish. Please note that the tackle tray includes fishing hooks. The tackle tray will be wrapped in cardboard and placed inside a pocket inside the fishing kit bag, which will be sealed with a cable tie to discourage students from opening their kits until they are with a parent or carer.

Kits will be handed out to students to take home with them as soon as the school receives them. Teachers will tell students not to open the kits until they are safely at home with a parent or carer, however parents can contact the school and request to collect their kit from the school themselves if they prefer.

The Victorian Fisheries Authority will create a Little Angler hub on their website, which will be live when the kits start being distributed. It will have useful information, instructional videos and online resources about where and how to fish linking to existing resources from Fishcare and new resources to be produced just for the Little Angler Kits program.

This initiative aims to grow recreational fishing participation in Victoria by actively encouraging primary school aged children to learn how to fish, as well as learning more about marine life and the natural environment.
