## Acting Principal's Report

I cannot believe we are at the end of term already! I have only just settled in and got to know people and now I have to say goodbye. I am sad to be leaving but I appreciate the time I have spent here in this lovely school. Congratulations to all the students, staff and families on the way you go about your business every day, with positivity and enthusiasm for learning and having fun! It is a great school and you should all be very proud of what you are achieving here.

Kirsten Williams, your School Council president will update you on the new Acting Principal appointment once the process has been completed, hopefully by the end of this week.

I received an email from a neighbour this week regarding rubbish in the streets surrounding the school. During the day at school, students eat indoors which limits how much rubbish ends up in our school yard. Unfortunately, it seems that some of our students are eating food on the way home and dropping their wrappers on the ground which is ending up in neighbours' front yards. There have also been coffee cups left on neighbour letterboxes and fences which have perhaps been left accidentally by parents during drop off and pick up times. Could you please speak with your children about ensuring that all rubbish goes home with them after school and help to keep our school neighbourhood neat and tidy.

With traffic management and parking restrictions in Brine and Austin streets currently under review, it is vitally important that we keep good relationships with our neighbours in order to continue being able to utilise the surrounding streets for parking and waiting.

I wish you all a wonderful school holiday period. Stay safe and warm during these chilly times and all the very best for a productive term 3.

School resumes on Monday the 10th July.

# President's Report

Dear Parents & Carers,

School Council held its last meeting on Monday night, June 19th. At this meeting, School Council was able to welcome Alison Lough to HPS as our fill-in Principal. Alison Lough had been the Principal at Waverley Meadows for 3 years and joins us with much experience and has been a great addition to the team. Unfortunately, HPS was not the only school to recognise this. In Term 3, Alison Lough will join a new school in Cranbourne as their Principal. We wish her all the best.

Lisa Gough has extended her leave until the end of Term 3, which means HPS will be securing a new fill-in Principal. To secure the position of Principal, candidates must go through a short-listing process before they proceed to the interview stage, which is the same process Alison Lough went through. The selection panel consists of 2 Senior Education Improvement Leaders (DE) and myself (School Council President). We have already recommenced this process and should be able to introduce our Term 3 (fill-in) Principal this Friday or early next week. The aim is not only to find the best candidate but the best fit for HPS.

Grade 5 & 6 Camps – School Council approved the Lv5 & Lv6 Camps at Camp Marysville. The main educational purpose of the camp is to involve students in a variety of adventure activities within natural environments. Activities will include but are not limited to bushwalking, canoeing, ropes course, cycling, orienteering and rock climbing. The activities are designed to promote teamwork, positive social interactions, problem solving and self-confidence.

Extension to the LV6 Camp – An opportunity has arisen for HPS to extend the Grade 6 Camp to 4 nights/5days. This was approved by School Council. Further communications will come directly via the school.

Shade Sails – Last year, HPS secured a grant for a large shade sail to be installed between the running track and the oval. This will provide extra shade during play times in Summer and provide shade for sporting activities. Installation of the shade sail poles will be installed this week. Once the poles are secured, a made to order sail will be installed a few weeks later.

The Boat Playground – With the amazing generosity of the HPS community, P&F has raised apx \$68,700 which is enough fundraising to commence the 'The Boat Playground'. Any project that exceeds \$50,000 needs to require approval from the Victorian Schools Building Authority (VSBA). On Monday night, school

council approved the motion 'The Finance and Facilities committee has reviewed the quotes and approvals for the Boat Playground and recommends that School Council approves commencing a VSBA playground project with a contingency fund of \$25,00.' We are in the process of submitting paperwork to VSBA and will have to await their approval before we can commence works. We will keep you updated.

New carpeting in the main building – HPS still has residual funds with the VSBA from our contingency fund for the new toilet blocks in the main building. Aaron Richards has requested approval for these funds to be released for the replacement of carpeting in the main building. According to our SMP (5-year School Maintenance Plan), the carpet must be replaced by the end of this year.

Finance Committee - The Finance & Facilities Committee resolved that the revenue and expenditure for 2022 was in line with the 2022 confirmed operating budget. This Committee resolved that the reports that they reviewed represented the financial transactions for the school.

Policy Committee – The Committee reviewed the Anaphylaxis, Asthma, Schedule and Communication guidance policies and recommended their acceptance by School Council.

P&F Committee – P&F would like to thank the P&F Coordinators (Kirsten, Hollie & Kylie) for organising the Colour Fun Run. We hope you enjoy the special photo edition of the P&F News. P&F has found some new event organisers for the disco (August 4<sup>th</sup>). School Council approved the 2023 Disco event template.

Mandatory Reporting – HPS believes that protecting children is at the core of everything we do and fundamentally important. It is a requirement that all teaching staff complete yearly certification in

'Protecting Children – Mandatory Reporting and other Obligations'. At HPS, we 'aim high' and do more than the basics. Therefore, all parent Councillors are also required to undertake the 'Protecting Children – Mandatory Reporting and other obligations' certification on a yearly basis. We hope all Councillors will have completed this training prior to our next council meeting.

As a council we welcome your input and feedback. If you have any queries, please don't hesitate to contact me on [Kirsten.Williams@education.vic.gov.au](mailto:Kirsten.Williams@education.vic.gov.au).

# Assistant Principal's Report

AARON RICHARDS

## Thank you

I would like to thank all of our students, parents and teachers for a wonderful Term 2. Although it was only a nine week term, it has been a very busy one. Some of the events run include:

- The Colour Fun Run
- House Cross Country
- Intensive Swimming Program (Levels 3-6)
- JAG House Competition
- Three Way Conferences
- John Monash STEM Program
- VHAP (Victorian High-Ability Program)
- Level 4 Positive Start Netball Excursion
- Level 3 Planetarium/Science Works Excursion
- Kaboom Tabloid Sports
- Yoga and meditation classes

These events can not run without the help of the teachers, Parents and Friends Committee, parent volunteers and the students. Thank you all for allowing and supporting us to provide these extra curricular activities to our students.

## Holiday Works

Over the holidays, we have several works planned to update and improve the school.

- The construction of a shade sail area, located between the soccer pitch and oval, will commence this Friday. This will provide our students with a sheltered area at the northern end of the school.
- All gutters will be cleaned and vacuumed.
- The basketball court in the gymnasium will receive a light sand and be re-coated.

I wish everyone a lovely and safe holiday break. I will be on Long Service Leave for the first three days of Week 1. Elisha Park will be stepping in as Acting Assistant Principal for these three days.

**P&F AGM** The P&F AGM will elect new office bearers (President, Secretary & Treasurer). We also select the events that we will be hosting in 2024 and setting up organising committees for each event. At this stage, we are expecting to run a reduced event calendar in 2024. The P&F coordinators will continue to double as event coordinator for one event each term. The number of other events we can add to the calendar will depend entirely on whether we can get some volunteers to organise the event (with P&F support).
